About bestchance Training

As a private training provider we are able to offer an individualised approach to learning. Group sizes are small, delivery is appropriate to the students' needs and staff are friendly and supportive. Where possible a "hands on" approach is taken and work placement is a key component of all vocational courses.

Training programs include:

Aged Care, Education, Children's Services, Community Information, Computers, and a variety of life skill classes. Mature age students with appropriate knowledge and background may also be eligible for RPL and/or RCC.

bestchance activities now encompass special education for children with social/emotional difficulties, training programs, emergency relief for children and families in need, family support services, child care and early intervention programs for young children with learning disabilities.
